

1. List on the left all your manifesting intentions and the action steps that you currently have the capacity to do and move toward.
2. Next to each one of your intentions/action steps list what you need support/help from the Universe to bring forth into manifesting form.
3. Now, do your part and surrender intentions to the **POWERS** that **BE** to bring forth in the perfect way for you. Use this format with Manifesting New Moon Ritual. Repeat as often as necessary.
